

27 June - 3 July  
Hatun Karpay in Greece and Asia Minor  
with Juan & Ivan Nuñez del Prado  
**The Cave of the Revelation and  
The Seven Churches**

**The most special and important hatun karpay of the West!  
Visiting the Roots: The Cave of Revelation and the Seven Churches.  
A trip to Greece and Asia Minor.  
A journey to our Soul!**

In the Inca empire, in order to declare the most suitable person as "the next emperor", the 12 candidates received a teaching, practiced certain practices, possessed certain knowledge. From this advanced preparation of the Inca successors, we will practice this unique journey, in order to strengthen our own place in Life, to leave behind everything that keeps us from enjoying our journey, to write our own history!

**Hatun Karpay means "The Great Initiation"** and is a series of practices, in the Andean tradition, as preserved in Peru by the paqos.  
A natural dialogue of our Being, with Life.  
**We invite you to your most important trip!**

*There is a very serious reason why Juan & Ivan Nunez del Prado come to Greece every year. They have to share with us an ancient secret that has survived the centuries and that still gives its treasures to anyone who seeks for it: How you can make your life an enjoyable journey! How to be YOU!*

## Day by Day Program

---

**June 27 –** Flight from Athens to **Samos**. Transfer to the hotel. Lunch. Overnight.

*The island of Samos can offer peace and rest, but also entertainment, excursions, good food and especially good wine, since Samos is famous for its wines. “Samiotiko” is a special variety of mostly sweet wine, but you can ask for all the local labels and of course the local products. The excursion to get to know the island is optional and not included in the main program.*

**June 28 –** Transfer to the port. One-day trip to **Patmos** (tour to the Cave of the Apocalypse, and to the monastery of St. John). Lunch. Return by ferry to **Samos**.

*Here, the great change in the history of the Western world happened. We will visit the **Cave** in which John stayed; we will visit the scene of the vision that created the **Apocalypse**. The split rock and the place where John rested his head are signs of consideration and strength. Interesting relics will be seen in the **Monastery of St John**.*

**June 29** – Transfer to the port. By ferry we pass to **Kusadasi**. Tour to **Ephesus**, to the house where Virgin Mary died (which was built with the help of John), and the basilica of Saint John. We will visit the temple of Artemis. Transfer to **Izmir**, and tour. Lunch and overnight stay.

**The first Church is that of Ephesus.** *"The church of Ephesus is said to have been well founded and possessed a spirit of discernment. There was good teaching, but not warm love both for Christ and among the members, which was also their main characteristic (Rev. 2:4).*

**The temple of Artemis** was probably the most perfect and majestic temple of antiquity. It is also called Artemision. It was one of the seven wonders of the ancient world.

**The house that John built for the Virgin Mary** was said to be her last residence on Earth. Today it is a beautiful garden with flowers, but also events. A monument worth visiting.

**The second Church is that of Smyrna.** (Revelation 2:8-11) – *"The church of Smyrna was said to be small and poverty-stricken, but it was rich in values. Christ encouraging her has set a certain limit of trial having reserved for her members the gift of the afterlife".*

**June 30** – Breakfast at the hotel and full-day excursion to **Pergamon**. Guided tour of the Acropolis and Asklepiion, the red basilica and then **Thyatira**. Lunch. Return to **Izmir**. Overnight.

**The Third Church was that of Pergamon.** (Revelation 2:12-17), - *"The church of Pergamon is said to have taken a brave stand against external temptations. But some of its members were prone to false teachings and thus had infiltrated old pagan Jewish habits for which Christ called them to repent."*

**The Fourth Church, the one in Thyatira.** (Revelation 2:18-29), - *"The church of Thyatira behaves as a mixed church but a healthy one. But there was a powerful female false prophet who urged compromise with the immoral world, resulting in many sinners. (2:20). Despite this, Jesus promises the kingdom of believers."*

**July 1** – Breakfast at the hotel and departure for **Pamukkale**. It is an area with thermal baths and naturally created lakes. It is called "cotton castle". Visit to **Sardis** and **Philadelphia**. Lunch en route. Overnight in Pamukkale.

*The Fifth Church is located in Sardis. (Revelation 3:1-6) – “The church of Sardis is brought as a living dead (3:2). Exhortations to intense zeal and awakening follow, with a promise that the faithful will be protected.” (3:5).*

*The Sixth Church is that of Philadelphia. (Revelation 3:1-6) – “The church of Philadelphia is said to be active and faithful despite the persecutions, therefore the letter contains no rebuke. Thus the assurance is given that she rejoices in divine love and in her preservation from all temptation (3:10).”*

**July 2** – Breakfast at the hotel and departure for Hierapolis, the Colosseum and **Laodicea**. Lunch. Then departure for **Kusadasi** where in the afternoon we will depart by ferry to **Samos**. Transfer to the hotel and overnight stay.
